

**Sermon title:** Fathers and Children

**Memory verse:**

**Questions for reflection and life group discussions:**

1. How does the way I see and treat my parents honor God?
2. Is the relationship I have with my own parents the kind of relationship I want for me and my children?
3. Do I submit myself to the discipline and instruction of the Lord?
4. How does being a child under God's discipline and punishment (Heb 12) change my view on the importance of parenting?
